STATE OF ALABAMA
 JEFFERSON COUNTY

The undersigned, Laurence D. Weygand, registered Land Surveyor, State of Alabama, and Harold R. Walker, President and Francis J. Walker, Secretary of H. Walker & Associates, Inc., owner, hereby certify that this plat or map was made pursuant to a survey made by said surveyor and that said survey and this plat or map were made at the instance of said owner; that this plat or map is a true and correct map of lands shown therein and known as Countryside, showing the boundaries of each lot and its number, showing the streets, alleys and public grounds, giving the bearings, length, width and name of each street, as well as the number of each lot and block, and showing the relation of the lands to the government survey; and that iron pins have been installed at all lot corners and curve points as shown and designated by small open circles on said plat or map. Said owner also certifies that it is the owner of said lands and that the same are not subject to any mortgage, except a mortgage or mortgages held by the following mortgagee: First Bank of Alabaster.

Dated: 11/10/77, 1977.

 ALABAMA COUNTY HEALTH OFFICER

Plot plans of each lot which shall show the location of the dwelling, topography, septic tank and fire, water lines, and other pertinent data shall be submitted to the Shelby County Health Department prior to beginning dwelling construction and as a prerequisite to obtaining a building permit for sewage disposal. No on-site disposal units shall be installed. House builders and septic tank contractors are to be made aware of requirements and limitations by drawings or notations on the Record Map. All systems are to be inspected prior to backfilling.
