

State of Alabama, Before me Wm Lyman a Notary Public in and for said County
 Shelby County, in said State, Personally appeared J.H. Warden who
 being by me first duly sworn & deposed and on oath said that he
 including of that small tract of not more than three acres, situated in
 the W 1/2 of NW 1/4 Sec 5 Tp 24 RB Shelby County and being west of a certain
 road leading Montevallo & Calera road to home known as J.H. Warden included in
 a mortgage executed by affiant to the Connecticut Life Insurance
 Co., was an error, and not intended to have been so included in said
 mortgage, that due to such error, affiant is of opinion that in the
 event it should be important to do so, said mortgage can be
 reformed as to such description and said small tract eliminated therefrom
 that he will lend his influence and any proper information at
 the time should it come, to accomplishing such result.
