

The State of Alabama) Before me, the undersigned authority,
 Shelby County, in and for said County, in said State,
 this day personally appeared H. P. Ryan, who, being first
 duly sworn, deposed and says that he was personally acquainted
 with James Lolley, who at one time was the owner of the
 S. 7 1/4 section 25 - and the S. 1/2 of S. E. 1/4 section 26, in Township
 21 South of Range 4 East, Shelby County, Alabama; that said
 James Lolley is now dead; that said James Lolley and others
 of his family were variously known in the community
 where they lived both as Lolley and as Lawley; that said
 James Lolley was very frequently known and referred to as
 James Lawley, and that they were one and the same person;
 that the spelling of this family name by various people in the
 community where they lived, was variously written as "Lawley",
 "Lolley" and sometimes as "Lolly". Affiant is morally sure that
 the James Lawley named as the grantee in deed from James
 Liddsey and wife of record in Deed Book 13 Page 532 Shelby
 County Records, was one and the same person as the James
 Lolley who conveyed the mineral interests in said lands to

Shelby Coal Company by deed of record in Deed Book 13-Page 169 of said County Records as it is affiant's opinion and best recollection that said James Lolley was the owner and in possession of said lands about the year 1870, and not very long after said James Lindsey removed from said lands. That affiant knows nothing personally with regard to the execution of the conveyance of said lands by said James Lindsey and wife to said James Lolley, or "Lansley" but knows as above stated that said James Lolley was frequently known and called James Lansley.

Done to and subscribed before
me this June 9, 1920.
