

Oil And Gas Lease.

Agreement made and entered into the 2nd day of September, 1921, by and between Spencer R. Kendrick and Olla N. Kendrick of Chelsea, Ala. hereinafter called Lessor (whether one or more) and Gaston Scott hereinafter called lessee;

Witnesseth: That the said lessor, for and in consideration of one dollar cash in hand and paid, receipt of which is hereby acknowledged, and of the covenants and agreements hereinafter contained on the part of lessee to be paid, kept and performed, have granted, demised, leased and let unto the said lessee for the sole and only purposes of mining and operating for oil and gas and of laying pipe line and of building tanks, power stations and structures thereon to produce, save and take care of said products all that certain tract of land situated

in the County of Shelby, State of Alabama, described as follows, to wit:

SE $\frac{1}{4}$ of Sec. 32, Township 19, Range 1 west, and containing 160 acres more or less.

It is agreed that this lease shall remain in force for a term of ten years from this date, and as long thereafter as oil or gas, or either of them is produced from said land by the lessee.

In consideration of the premises the said lessee covenants and agrees:

1st To deliver to the credit of lessor, free of cost, in the pipe line to which they may connect their wells, the equal one-eighth part of all oil produced and saved from the leased premises and $\frac{1}{10}$ part of the gas.

2nd To pay the lessor Fifty and $\frac{7}{10}$ s dollars each year in advance for the gas from each well where gas only is found, while the same is being used off the premises, and lessor to have gas free of cost from any such well for all stoves and all inside lights in the principal dwelling house on said land during the time by making their own connections with the well at their own risk and expense.

3rd To pay lessor for gas produced from any oil well and used on the premises at the rate of Fifty and $\frac{7}{10}$ s dollars per year, for the time during which such gas shall be used, said said payments to be made each three months in advance.

If no well be commenced on said land on or before the 2nd day of September, 1923, this lease shall terminate as to both parties, unless the lessee on or before that date shall pay or tender to the lessor, or to the lessor's credit in the Columbiana Savings Bank, at Columbiana Ala., or its successors, which shall continue as the depository, regardless of changes in the ownership of said land, the sum of Forty and $\frac{7}{10}$ s dollars, which shall operate as rental

and cover the privilege of deferring the commencement of a well for twelve months from said date.

In like manner and upon like payments or tenders the commencement of a well may be further deferred for like periods of the same number of months successively. And it is understood and agreed that the consideration first recited herein, the down payment, covers not only the privilege granted to the date when said first rental is payable as aforesaid but also the lessee's options of extending that period as aforesaid, and any and all other rights conferred.

Should the first well drilled on the above described land be a dry hole, then and in that event, if a second well is not commenced on said land within twelve months thereafter, this lease shall terminate as to both parties, unless the lessee on or before the expiration of said twelve months shall resume the payment of rentals in the same amount and in the same manner as hereinbefore provided. And it is agreed that upon the resumption of the payment of rentals, as above provided, that the last preceding paragraph hereof, governing the payment of rentals and the effect thereof, shall continue in force just as though there had been no interruption in the rental payments.

If said lessor owns a less interest in the above described land than the entire and undivided fee simple estate therein, then the royalties and rentals herein provided for shall be paid the said lessor only in proportion their interest bears to the whole and undivided fee.

Lessee shall have the right to use, free of cost, gas, oil and water produced on said land for all operations thereon, except water from wells of lessor.

When requested by lessor lessee shall bury his pipe line below plow depth.

No well shall be drilled nearer than 200 feet to the house or barn now on said premises without the written consent of the lessor.

Lessee shall pay for damages caused by all operations & growing crops on said land.

Lessee shall have the right at any time to remove all machinery and fixtures placed on said premises, including the right to draw and remove casing.

If the estate of either party hereto is assigned and the privilege of assigning in whole or in part is expressly allowed, the covenants hereof shall extend to their heirs, executors, administrators, successors, or assigns, but no change in the ownership of the land or assignment of rentals or royalties shall be binding on the lessee, until after the lessee has been furnished with a written transfer or assignment, or a copy thereof, and it is hereby agreed that in the event this lease shall be assigned as to a part or as to parts of the above described lands and the assignee or assignees of each part or parts shall fail or make default in the payment of the proportionate part of the rents due from him or them such default shall not operate to defeat or affect this lease in so far as it covers a part or parts of said lands upon which the said lessee or any assignee thereof shall make due payment of said rental.

Lessor hereby warrants and agrees to defend the title to the lands herein described and agrees that the lessee shall have the right at any time to redeem for lessor, by payment, any mortgages, taxes, or other liens on the above described lands, in the event of default of payment by lessor, and to subrogate to the rights of the holder thereof.

In witness whereof, we hereto set our hands and seals, on the date first in above written.
