Before me L. L. Saxon a Notary Public in and for said County in said State, personally appeared A.T. Thomas who being duly sworn deposes and says as follows:

My name is A. T. Thomas and I have lived in the town of Calera for thirty years; I am fam iliar with what is known as The Dare Survey and map of Calera, Alabama, and the Dunston Survey and map of the town of Calera, Alabama; I know that in the are map and survey there is a certain street in said town which is designated and named as Fulton Street and that in the Dunston map and survey the same street is designated as Twelfth Avenue, but each of said names are in reality the same street; I have known lots One, Two and three in Block Nine in the Town of Calera, Alabama for many years and I know of my own knowledge that Wi liam McAdory went into possession of lot number one block nine during the month of August 1894, and that has since said time been in the continuous, open, peaceable, and adverse possession of said lot under claim ownership; that he moved into the house on said lot and has lived there either himself or by tenants since said time; that during the month of May 1905 he went into possession of lots number two and three of block number nine, by deed from Lucy J. Cary and eretced a fence around said lots and has since baid time used said lots in connection with his home lot number one as aforesaid, that after going into possession of lots number two and three he has held the same openly, adversely and peaceably during all of said time since the execution of said deed and I have heard of no one question his right or title to said lots.

I am not related in any way to $\mbox{William } \mbox{McAdory}$, nor have I any interest in the title to said lots.

A. T. Thomas

Sworn to and subscribed before me this 24 day of June 1925.
