SHELBY COUNTY

Before me T. W. Whatley, a Notary Public & Ex Off. J.P. in and for said County in said State, personally appeared J. M. Pilgreen who is known to me, and who, being by me first duly sworn, deposes and says, on oath, that he is acquainted with the following described real estate, situated in Calera, Alabama, viz:

Lots Number One and Two, according to Storrs and Fletcher's survey of the town of Calera, Alabama. And being further described as Lots Number One and Number Two in Block Four of said town. And being still more particularly described as fronting 100 feet on Smith Street, and running back along Montgomery Avenue in parallel line 150 feet, which said lot commences at the intersection of Montgomery Avenue with Smith Street, at the southeast corner of said intersection, and runs thence east along Smith Street 100 feet thence south parallel with Montgomery Avenue 150 feet to an alley, thence west along said alley 100 feet to the east side of Montgomery Avenue, thence north along the east side of Montgomery Avenue 150 feet to the pount of beginning; all as shown by the plat of said property recorded in the Probate Office of Shelby County, Alabama.

Further deposing affiant says that E. A. Aldridge went in possession of said property on February the 18th 1893, under a deed to him executed by John S. Storrs, etal, and that he remained and continued in the actual, open, notorious, continuous, exclusive, adverse possession of said property down to the time he deeded the same to Mrs. Vera C. Seale on May 10, 1926, and that on said date said Vera C. Seale went into possession of said property and has remained in the open, notorious, continuous, exclusive, adverse possession of said property down to the present time.

Sworn and subscribed to before me this 16th day of March 1927.
