This day before me A. B. Baxley, a Notary Public came M. H. Martin who says he now owns property in the South Calera subdivision, that he knows the property known as Lots eleven, twelve and thirteen block fortyeight; also blocks twenty nine, thirty, and thirty two and also the land in the southwest fourth of section eleven, township twenty four, range thirteen east, lying south and west of blocks numbered twenty nine, thirty and thirty two, that all the above mentioned property was at one time in the hands of the south Calera Land and Improvement Company, that no issue has ever arisen that would tend to cloud the title in the South Calera Land and Improvement Company or to any of their successors in title to any of the above mentioned lands. All of said lands being held openly, known, adversely and notoriously by the several owners since coming from the South Calera Land and Improvement Company. My observation and knowledge of said property covers a period of more than 40 years.
