Before me K.B. Nickerson a Motary Public in and for said County insaid State personally appeared J.H.Fulton who is known to me, and who being by me wirst duly sworn deposes and says that he is acquainted with the southeast quarter of the southeast quarter of Section 35, Township 20, Mange 3 west, Shelty Gunty, Alabama, and has known said land for thirty years or more prior hereto. Further deposing affiant says that neither in 1921 nor in 1922, or at any other time during the last thirty years, has J.R.Jones been in possession of said land. Said land appears of record to have been assessed to said J.R.Jonesfor taxes for 1921 and sold for its taxes on the 3rd day of July 1922, but which sale has been cancelled of record, as being erroneous and this affidavit is made for the urpose of showing that said J.R. Jones was not in possession of said land at the time the same was assessed for taxes against him, and that he has not geen in possession of it for the last thirty years.
