STATE OF ALABAMA)

SHELBY COUNTY)

Before me H. L. Crim a Notary Public in and for said County in said State, personally appeared J.W. Burgess who is known to me, and who being by me first duly sworn, deposes and says that he is acquainted with the following described land situated in Shelby County, Alabama, viz:

The northwest quarter of the southeast quarter of Section 9, Township 22,
Range 2 west,

and has known said land for more than thirty years prior hereto, and that he has lived in the same community where said land is situated for said thirty years or more prior hereto. Further deposing affiant says that he was acquainted with Mrs. I. N. Breazeale who executed a deed to this land to Rosa E. Collins on the 29th day of October, 1925, which deed is recorded in the Probate Office of Shelby County, Alabama, in deed book 73 at page 630. Further deposing affiant says that for twenty five years or more prior to the date of the last mentioned deed, said Mrs. E. M. Breazeale was in the actual open, notorious, continuous, exclusive, adverse possession of said land, and during said period of time no other person, firm or corporation, so far as affiant ever heard of or knew, advanced any claim to or interest in said land antagonistic to or opposed to said Mrs. E. M. Breazeale.

Further deposing affiant says that about twenty five years ago, the exact date of which he does not remember, said Mrs. E. M. Breazeale sold the timber on said land to Gus Moss and Walter Hill, and said Moss and said Hill went upon said land and cut and removed the timber therefrom under said purchase from said Mrs. E. M. Breazeale.
