

AFFIDAVIT

STATE OF ALABAMA)

SHELBY COUNTY)

Before me the undersigned authority in and for said County in said State, personally appeared J. M. Frost who being first duly sworn, deposes and says that he is familiar with the SW $\frac{1}{4}$ of the NE $\frac{1}{4}$, the E $\frac{1}{2}$ of the SW $\frac{1}{4}$ and the SW $\frac{1}{4}$ of the SE $\frac{1}{4}$ of Section 33, Township 21, Range 2 west, and the E $\frac{1}{2}$ of the NW $\frac{1}{4}$ of Section 66, Township 22, Range 2 west, situated in Shelby County, Alabama and has known said property for the last twenty four years. Affiant knows that said land was formerly owned by James M. Garner and was known throughout the community as the Garner land, that James M. Garner later conveyed an interest in said property to his sister, Margaret J. Garner, and that they owned the same jointly until the death of the said James M. Garner, and that the sons and daughters of the said James M. Garner inherited their father's interest in said property.

Affiant further says that during the time the said Garner owned said property most of the land was in cultivation and was leased to various tenants, who occupied said property and lived thereon and cultivated the most of the same.

Affiant further says that during the time he has known said property he has heard no one question the title of the said Garners to said property and it was conceded in the neighborhood that said property was owned by the said Garners. Later some of the heirs of the said James M. Garner and the said Margaret J. Garner conveyed their interest to C. E. Leonard during the year 1918, and later during that year the said Leonard conveyed said property to C. S. Morrow and wife, Jessie Morrow, and later on that the said C. S. Morrow and Jessie Morrow conveyed an interest in said property to J. E. Moore, and that from the time the said Moore and Morrow owned said property said property has been known as the Moore and Morrow Farm and no one has ever disputed their title to the same and the said Moore and Morrow have been in possession of said property, from the time they acquired it to the present time through tenants.
