STATE OF ALABAMA)

JEFFERSON COUNTY)

KNOW ALL MEN BY THESEPRESENTS, that

WHEREAS, the main track of the railroad of Southern Railway Company running between Birmingham and Wilton crosses a branch or stream by means of a trestle about two hundred twenty seven (227) feet in length, beginning at a point one thousand three hundred twenty five and six tenths (1325.6) feet west of Milepost 15-R, in the northwest quarter of the southwest quarter of Section Fifteen, Township twenty one south, Range four west (NW $\frac{1}{2}$ of SW $\frac{1}{2}$ of Sec. 15, Tp. 21, S. R. 4 W) Shelby County, Alabama and

WHEREAS, said Railway Company proposes to fill the said trestle, and for such purpose will require a strip of land forty (40) feet inwidth on the southerly side, as wellas a parcel of land triangular in shape on the northerly side, of the present right of way which is fifty (50) feet pn each side of the center line of said main track that is to say, will require for the purposes of the embankment to be created in the filling of said trestle, a right of way, ninety (90) feet inwidth on the southerly side of the center line of said track, for a distance varying from about two hundred twenty seven (227) feet measured along the center line of said main track, to about two hundred twelve (212) feet, measured along a line ninety (90) feet distance from and parallel with the center line of said main track; together withsaid triangular shaped parcel on the northerly side of said right of way; the location of said parcels of land so required being shown as delineated in green on the blue print map dated December 6, 1928, here unto annexed and made a part hereof; and

WHEREAS, the undersigned, Southern Mineral Land Company, a corporation, is the owner of said parcels of land and swilling that the said trestle may be filled and the said embankment, created thereby may extend over and beyond the limits of present right of way and may occupy the strip or parcel of land hereinbefore mentioned on either side of the present right of way opposite said trestle, as aforesaid.

NOW, THEREFORE, in consideration of the premises, and of the sum of One Dollar (\$1.00) to it in hand paid by the grantee hereinafter named, receipt whereof is hereby acknowledged, the said Southern Mineral Land Company has granted, and hereby does grant unto Southern Railway Company, and to its successors and assigns;

THE RIGHT to construct said fill in such manner that the earth and material used therein may slope over and occupy the land of the said grantor on either side of the present right of way for said railroad, to the extent hereinbefore mentioned and recited; TOGETHER WITH the right to Southern Railway Company to change the said branch or stream on the said land of the Grantor on the southerly side of said right of way in such manner that the water the reof may be conducted across the railroad and right of way, and under the said embankment, by means of a forty eight (48) inch by fifty two (52) inch concrete pipe culvert across said present right of way and property, and a ditch to be excavated and maintained by the Railway Company, to extend from the end of said culvert southwardly to a junction withsaid branch or stream at or near the southerly boundary of the forty (40) foot strip of land of the grantor herein described.

IN WITNESS WHERE OF the said grantor has caused this instrument to be executed and its corporate seal to behereunto affixed and attested by its officers thereunto duly authorized, this 9th day of May 1929.
