

AFFIDAVIT

STATE OF ALABAMA)

SHELBY COUNTY)

Before me L. H. Ellis, a Notary Public in and for said County in said State personally appeared Garland Bishop, who is known to me, and who, being by me first duly sworn, deposes and says that he is acquainted with the SE $\frac{1}{4}$ of the NE $\frac{1}{4}$ of Section 1, Township 20, Range 3 west, Shelby County, Alabama, and has known said land about twenty years or more.

Further deposing affiant says that he is a son of John Bishop, deceased, who, in his life time, owned the northwest diagonal half of said forty.

Further deposing affiant says that C.C. Harless now owns and is in possession of the SE diagonal half of said forty and prior to the time he came in possession J.F. Harless was in possession of said southeast diagonal half of said forty.

Further deposing affiant says that if there is any conflict in the tax records of the county as to the assessment of said land it is erroneous, because, as aforesaid, John Bishop owned the northwest diagonal half and not the southeast diagonal half of said forty and neither did he or his heirs after him claim said southeast diagonal half, and neither he nor his heirs have claimed said land for twenty years or more.

Sworn to and subscribed before me this the
31st day of August 1929.
