AFFIDAVIT

STATE OF ALABAMA        )

JEFFERSON COUNTY        )

Before the undersigned authority, in and for said County in said State, personally appeared W. E. Harrison, who being duly sworn, deposes and says on oath as follows:

I live at Montevallo, Shelby County, Alabama. I am fifty six years old and have been living in Shelby County, Alabama from 1917 to 1927. I have been knowing the property described as:

Lot 398, according to N. B. Dare's map of Calera, made for Shelby County Land Company, and also known as Lot 4, in Block 5, by J. H. Dunston's map, made for Calera Land Company.

There has been a building of some character on some portion of this lot during the entire time that I have known it. I remember distinctly C. W. Wade erecting a concrete building on a part of said lot which was some eight or nine years ago, and said building is now located as erected by him at said time; the portion of the lot on which C. W. Wade erected said building being now known as the Dr. J. B. Cooper property. It is my recollection that no one assessed the property after 1919 while I was in the Assessor's office except C. W. Wade, until after he conveyed to J. B. Cooper and Dr. J. B. Cooper after he bought the property from C. W. Wade.

W. E. Harrison

Sworn to and subscribed before me on this the 21st. day of February, 1928.
