SHELBY COUNTY)

Before me A. R. Busby, a Notary Public in and for said County and State this day came J. W. Burgess who being by me duly sworn, deposeth and says:

That he is a native of Shelby County, that he has lived in and around Shelby Springs got 15 years that he knows the owners and occupants of the Southeast quarter of the northeast fourth, Section 12, Township 22, Range 2 west. That the houses and lots of Varner, Jackson and Nelson lie along the Columbiana road just to the east of the 17 acres of land now owned and occupied by G.T. Stonecypher. That said aboveowners, Jackson Varner and Nelson houses are properly and concisely located, boundaries defined, etc. by yards fences and houses, and that the lands of G.T. Stonecypher lie just to the west of the above mentioned houses and lots. That said houses and lots were never and are not now a part of the tract owned by Stonecypher.

But said houses and lots are located in the above forty acre tract, that is the southeast fourth of the northeast fourth, section 12, Tp. 22, Range 2 west, Shelby County.
