AFFIDAVIT

STATE OF ALABAMA SHELBY COUNTY

Before me, L H Ellis, a Notary Public in and for said County, in said State Gipersonally appeared J. T. Johnson, who is known to me and who, being by me first duly sworn, deposes and says that he is the owner of that certain parcel of land described in the deed of W. A. J. Blackerby and wife to J. T. Johnson (affiant) on November the 18th, 1927, and recorded in the Probate Office of Shelby County, Alabama, in deed book 75 at page 601 and that he has known said land for more than ten years prior hereto.

Further deposing affiant says that something like ten years ago the entire ten acre tract described in said deed was in cultivation and since that time it has been in a pasture and the only timber on it consists of small hardwood and pine timber, which has grown up since the said land ceased to be cultivated.
