## Affidavit

State of Alabama Clunty of Shelby. Before me, the undersigned and duly commissioned officer in and for said County in said State, personally appeared John Waddill, who, after being duly sworn, deposes That he has been well acquainted with the location of the West half of Northand says: East quarter and South-East quarter of North-West quarter of Section 25, Township 20 South, Range 4 West of the Huntsville Heridian, Shelby County, Alabama, since the beginning of the year That the Tennessee Coal, Iron and Railroad Company claiming to be the owner 1914; of said lands, constructed a dwelling house consisting of three rooms on said tract of land during the month of January 1914, and that from the time said house was completed until the end of the year 1928, it has been occupied by tenants who leased the above described lands from the Tennessee Coal, Iron and Railroad Company, and a portion of said Lands have been used for cultivation and pasture purposes; that during the years 1914 to 1918, inclusive, said house was occupied by one J.J. Honeycutt, who cultivated crops on a portion of said lands during each year, but during the year 1919 and a part of 1920 said house was occupied by a man by the name of H. Garner and E.G.Garner, said land being used by them for farm purposes, and that during the year 1920, shortly after the house was vacated by F.G. Garner, a man by the name of Charlie Gamble moved unto said house and occupied same for the early part of 1920 and during the years 1921 and 1922 he cultivated crops on said lands during said years.

with the beginning of the year 1923 said house was occupied by A.J. Massey, who continued to reside in said house and to use said land for cultivation continuously from the beginning of the year 1923 until the year 1928; that this occupation and possession of said land by said tenants has been open, continuous, notorious and hostile to the whole world, and as far as affiant knows, no one has disputed the title or ownership of said lands at any time since said house was constructed beginning with the year 1914.

John Waddell
