

AFFIDAVIT

We, the undersigned, former owners of the two pieces of property located in Wilsonville, Shelby County, Alabama, and now owned by Mr. and Mrs. Bell and Mr. and Mrs. Lee Malcomb, testify that in January of the year 1911, an exchange of a triangle of land off of each piece of property was made between us. A triangle off of the land formerly owned by the Mooneys, and now owned by the Malcombs, was exchanged for a triangle of land of equal size off of the Smith place, now owned by the Bells. This new division line of the property was established at the time of exchange, and immediately a fence marking the new division line of said property was put up by Mr. Smith. This division line has remained unchanged from 1911 until the present time, part of said line now being marked by a row of rock placed there in 1931, to replace the worn out fence. The triangle of land off of the Mooney place has been in the possession and use of the owners of the Smith place during all of these 22 years, and the triangle of land off of the Smith Place has been in the use and possession of, and taxes have been paid on same by the owners of the Mooney place, for 22 years.

Dated this the 18 day of January, 1933.
