STATE OF ALABAMA,
COUNTY OF

Before me Paul O. Luck, a Notary Public in and for said State and County, personally appeared G.P. Archer and J.A. Martin who are known to me to be creditable persons, who on oath say as follows:

That they are 56 and 62 years old, respectively; that they are familiar with the ownership and possession of the following described lands situated in said State and County, to-wit.

The Southeast quarter of the Southwest quarter and the south 30 acres of the North-East quarter of the South-west quarter of Section 4, Township 21, Range 1 East; that they have never heard of any claim being made by the International Securities Corporation, and know that said corporation or any party for said corporation has never been in possession of said lands, or claimed to have owned the same, or have ever assessed said lands for taxation.

That J.F. Wills now owns and is in the open, peaceable, undisturbed adverse possession of the said land, holding the same against the world; that he and those under whom he holds said and, have exercised and openly asserted ownership over and have been in continuous possession for 50 years; that to the affiant's knowledge there are no outstanding claims against said property adverse to or inconsistent with the ownership of said property as now claimed and asserted by the said J.F. Wills; except a mortgage to J.M.Lyon.
