STATE OF ALABAMA, SHELBY COUNTY)

Before me, L H. Fllis, a Notary Public in and for said County, in said State, personally appeared Levi Barber, who is known to me and who, being by me first duly sworn, deposes and says that he is a son of Gray Barber, who is grantor in that certain deed of date March 12, 1925, wherein affiant is grantee, which deed is recorded in the Probate Office of Shelby County, Alabama, in deed book 89 at page 14.

Further deposing affiant says that said Gray Barber is also grantee in that certain deed executed by John R. Dyke on the 15th day of April, 1912, which is recorded in the Probate Office of Shelby County, Alabama, in deed book 53 at page 521, and in both of said deeds, along with other property, is conveyed the north west quarter of the south east quarter of Section 21, Township 19 Range 2 Fast, Shelby County, Alabama.

Further deposing affiant says that said Gray Barber went in possession of said land last above mentioned immediately upon the execution to him of the deed from John R. Dyke, and remained in the actual, open, notorious, continuous, exclusive, adverse possession of same until he deeded it to affiant in 1925, as aforesaid; that soon after he purchased said land from Frected John R. Dyke, said Gray Barber had a house/on said land and cultivated portions of it each and every year until he sold it to affiant, and that immediately after he purchased the same from Dyke, as aforesaid, said Gray Barber sold the timber thereon to John Spruell and Tom Spruell and one W.S. Dobbs, who were sawmill men, and that they cut the timber therefrom and that they finished cutting the timber on it the following year after said Gray Barber bought it from said Dyke.

Further deposing affiant says that in 1915 said Gray Barber sold the remaining timber thereon to W.B.Lawley, and he and J.S.Hattsfield cut the balance of the timber therefrom during the years 1916 and 1917, and much of the land was put in cultivation immediately thereafter; that all the time said Gray Barber owned said land he had it actually occupied by tenants each and every year and portions of it cultivated until he deeded it to affiant, and affiant went in possession of said land immediately upon the execution of said deed to him by Gray Barber, and has lived upon it and cultivated portions of it each and every year, and has been in the actual, open, motorious, continuous, exclusive, adverse possession of same from the date of said deed down to the present time.
