STATE OF ALABAMA,

SHELBY COUNTY

Before me, L. H. Fllis, a Notary Public in and for said County, in said
State, personally appeared C. F. Goodwin, who is known to me and who being by me first duly
sworn, deposes and says that he is acquainted with the north east quarter of the south east
quarter of Section 29 Township 18 Range 2 Fast, Shelby County, Alabama, and that in the latter
part of 1921 or the early part of 1922 he purchased said land from The Alabama Company, who
was at that time in possession of it, claiming to own it and that said Alabama Company at
that time executed and delivered to him a warranty deed to said forty acre tract of land and that
he went in possession of said land under said deed immediately thereafter and cut the timber
therefrom and that on December the 14th, 1922, deeded it to Will Shorter; that he is not exactly certain as to the time he bought it except that in his best recollection it was in the
latter part of 1921 or the early part of 1922 and that he does not know what became of said deed
but was under the impression that it was recorded until a short time ago when he was informed
that it was not recorded. He had the deed in his possession but what became of it he does/hot
know and, as stated he was pretty certain it was recorded.
