THE STATE OF ALABAMA JEFFERSON COUNTY)

Before me the undersigned authority, personally appeared Clarence G. Filiott, who being by me first duly sworn according to law, deposes and says; that he purchased from J.H.Milner, and his wife, Hattie M. Milner a certain tract of land situated in Section32, township 18 South, Range 1 West, and section 5, Township 19, South Range 1 West, as shown by deed dated March 19, 1923, recorded in office of robate Judge of Shelby County, Alabama, deed records 76, pages 109 and 110, and that a part of the land conveyed by said deed is described therein as "Also the Southeast quarter of Southwest quarter (SF\frac{1}{4} of SW\frac{1}{4}) and a part of the Northwest quarter of the Southwest quarter (NW\frac{1}{4} of SW\frac{1}{4}) being and lying on the South side of the following boundary line, to-wit: Starting at the Southeast (SF(corner of the said Northwest quarter of Southeast quarter (NW\frac{1}{4} of SF\frac{1}{4}) and running Northwest crossing the public road at a stake near said road and running Northwest to the original West line of said forty, in section thirty two (32) township eighteen (18) range one (1) West; all south of the above described line, said part of the Northwest quarter of Southwest quarter (NW\frac{1}{4} of SW\frac{1}{4}) containing ten (1) acres more or less.

Also the Southwest quarter of the Southwest quarter (SW1 of SW2) except ten (10) acres more or less in the Southwest corner of said forty in section thirty-two (32) township eighteen (18) range one (1) West, said part excepted lying south west of the middle of the land dividing and running between the landsof Howell Pearson and T.R.Krider."

That said deed conveyed the lands therein described, situated in said  $NW_4^1$  of  $SW_4^1$  of said section, but the beginning point is wrongly described therein as the SF corner of  $NW_4^1$  of  $SE_2^1$  and when which should have been "Begin at SF corner of said  $NW_4^1$  of  $SW_4^1$ "; that the said Milner put affiant into possession and he took possession of the following described lands situated in said  $NW_4^1$  of  $SW_4^1$  of said section described as follows: "starting at the SF corner of said  $NW_2^1$  of  $SW_4^1$  and running NW crossing the public road at a stake near said road and running NW to the original West line of said forty, all south of the above described land, said part of the  $NW_4^1$  of  $SW_4^2$  containing ten (10) acres more or less."

That said property as above described has been in open, motorious and continued possession of affiant from said March 19, 1923 to the present time, he claiming the same to be his own, adversely to all the world and he paying taxes thereon and that during said period no person has asserted or claimed may title adversely to the title of affiant.
