DEWEY SEALS et al.

In the Circuit Court of

Vs.

Shelby County, Alabama.

Mary Scroggins et al.

Petition to Carrect Description.

Filed 15th June 1933

Petition of Mrs.G.M. Edgar, purchaser of the lands sold for division by this Court in the above stated cause among the Hoint owners thereof and represents as follows: That the lands described in said proceedinge are as follows: 12 acres off of the east side of the SE of NW of Section 3 Tp 22 Range 1 West Shelby County, Alabama, when in fact and truth said last averiged named real estate was not owned by said joint owners named or dither of them, and the same is a mis-description of the real estate owned by said jointowners. Petitioner avers that there is and was no mistake in the minds of any of the joint owners as to what real estate was claimed and intended to be sold by tham for a division of the proceeds derived from said sale. Petitioner avers that a proper description of the lands above mentioned and which was owned and intended by each of said joint owners to be sold was all that part of the SE of NW of Section 3 Tp 22 R 1 West in Shelby County, Alabama lying west of Waxahatchie Creek. Petitioner prays the court for a decree correcting said mis-description so described and order the Register of this court to execute a deed of correction in order that the mis-description may not be a cloud upon the title of others and that petitioner will have a deed describing the lands intended to be bought and in reality bought by her at the sale heretofore had in this cause.
