

AFFIDAVIT

STATE OF ALABAMA,
SHELBY COUNTY....)

Before me, the undersigned authority, personally appeared C.T.Weldon, who being duly sworn, deposes and says that he resides at Wilsonville, Alabama; that for a period of more than forty years last past, he has been acquainted with the following described lands, to-wit:

One lot or parcel of land beginning at the southeast (SE) corner of the lot sold to N.H.Self by W.H. Taylor and wife, M.E.Taylor, by deed dated, December 22nd 1886 and recorded in Deed Book 9, on page 335, in the office of the Judge of Probate of Shelby County, Alabama, beginning at the south east corner of said lot, and run thence North 80 feet, thence run west 200 feet, run thence south 80 feet, run thence East 200 feet to the point of beginning, and being a part of the South-east quarter of the Northeast quarter of Section 1, Township 21, Range 1 East, and further known as lot NO. 35, according to W. J. Horsley's map of the Town of Wilsonville, Alabama, situated in the town of Wilsonville, Shelby County, Alabama.

Affiant further says that he remembers the occasion when the above described lot was conveyed to W. R. Self by N.H.Self, during the year 1890, and that soon after this conveyance to the said W.R.Self he went into possession of this lot and built a residence thereon and resided thereon for some eight or nine years in fact up to the date of sale to affiant's father, R. G. Weldon; that after the purchase by R. G. Weldon, he was in the continuous possession of said lot up to the date of sale to affiant on the 23rd day of July, 1914; that affiant went into possession of said lot after purchase, as aforesaid, and was in the continuous possession of the same as his homestead up to the date of sale to T. L. Cook; on the 1st day of February, 1927; that soon after said sale, the said cook went into possession of said lot and has been in the possession of said lot continuously since said date either by occupying the same as a homestead or by tenant.

Affiant further states that soon after the residence was built on said lot, the said W. R. Self built a fence around said lot and that the same was enclosed by a fence at the date that the same was purchased by R.G.Weldon and that the fence remained around the same for a number of years; that the boundary lines of said lot are well marked and that there has never been any dispute as to the boundary lines of said lot.

Affiant further states that of his own personal knowledge he knows that for more than forty years last past, T.L.Cook and those through whom the said T.L.Cook holds title to the above described tract of land have been respectively in the open, notorious, continuous, peaceable and adverse possession of said tract of land, claiming it as their own respectively against all the world and exercising acts of ownership over said lot by occupying the same as a homestead and for general homestead purposes; that affiant has never heard the title of the said T. L. Cook or those through whom he holds title to said lands to be questioned.
