State of Alabama!
Shelby County!

Before me, L. H. Ellis, a Notary Public in and for said County, in said State, personally appeared T. J. Florey, who is known to me, and who, being by me first duely sworn, deposes and; says:

I am acquainted with the following land situated in Shelby County, Alabama,

viz:

The south east quarter of the south west quarter of Section 26 and all of the east half of the north east quarter of north west quarter of Section 35, except a strip 330 feet wife off of the south side, all in Township 18, South, Range 2 East, containing 55 acres, more or less.

This land until recently was owned by J. M. Murphy, who has been in possession of it for twenty years or more. I understand he has deeded the land to Elsie Willis. I have known this land all my life and I am 37 years of age. Thomas J. Martin was my grand-father and Eva M. Martin was my grand-mother. My mother was named Sallie Martin, and she married my father, T. G. Florey, and I emy the only child and am the sole surviving heir at law and next of kin of my mother, who died something like a year ago. There were other children of said Eva M. Martin, but they are badly scattered and I do not personally know where they are, but they have been gone from this section of the country for many, many years. I understand that some of them are in Louisiana and some in Texas. I do know, however, that none of the Eva M. Martin heirs claim any title to the land in question, nor do they claim any interest therein, and I do know that it has been in the possession of Mr. Murphy for more than twenty years, and that his title has not been questioned by any of the Martin heirs.

T	•	J	•	Florey,	

Sworn and subscribed to before me this the 25th day of October, 1935.
