AFFIDAVIT

STATE OF ALABAMA,)

SHELBY COUNTY.

Before me Pauline Bird, a Notary Public in and for said County in said State, personally appeared R. B. Posey, who being duly sworn deposes and says as follows:

My name is R. B. Posey and I have known the SW1, also the SE1 of SW2 and S1 of NE2 of SW1 all in Section 20, Tp. 19, Range 2 East since Movember 27, 1886, I having resided near lands and observed and know who was in possession of the same, who claimed to own it and who the public generally considered to own said property. I know that A. M. Jones went into possession of the SW2 of SW2 except 5 acres in the SE corner and the North 24 acres off the SE1 of SW2, also 3 acres off the west end of the S1 of NE2 of SW2, all in Section 20, Tp. 19, Range 2 East in Shelby County, Alabama, on the 27th day of November, 1886, and he resided upon said lands and occupied the same as a home, cultivated the lands as a farm during all the years of his life from said date above named and up to and until the 9th day of Oct.

1901, when he died. A. M. Jones at the time he resided on said property claimed to own it, used and occupied the same as above stated and held the same adversely continuously during all the years above named, his children having held the same as did their father before them up to and including the date of the making of this affidavit.

On February 8, 1922, I made an affidavit the same being now recorded in Deed Book 71 on page 327 to 330 in the Probate Office of Shelby County, Alabama, in which I stated that Z. Balentine and T. J. Nelson the parties named in said affidavit held and occupied during the time named the Sul of Swi of Section 20, Tp. 19, Range 2 East, I was in error

in making this affidavit and the same should have read 16 acres off the south side of said forty and not the entire forty as the same appears in said affidavit.

I am not related in any way to any of the parties involved in this abstract and have no interest whatsoever in the same other than to state the facts in connection therewith
