State of Alabama, Shelby County)

Before me, L. H. Ellis, a Notary Public in and for said County, in said State, personally appeared  $C_{4}^{2}$  M. Aldridge, who is known to me and who, being by me first duly sworn, deposes and says:

I am acquainted with the following described real estate situated in Shelby County, Alabama, and have known the same for more than thirty years, - to be exact I have known it thirty two years, viz:

The North west quarter of the South east quarter and the north east quarter of the South west quarter of Section 10, Township 21, South Range 2 West in Shelby County,

Alabama.

During all the time that I have known this land and up to the time of the death of W. R. Payne, commonly known as William R. Payne, he was in possession of it, living upon it and cultivating portions of it each and every year until the time of his death.

Mr. Payne died about four years ago, and since that time the land has been in the possession of his widow, Nancy C. Payne, During the thirty odd years that I have known this land no other, person, firm or corporation has advanced any claim of ownership against said land that ever came to my knowledge, but Mr. Payne was in the peaceable possession of it and lived upon it until the time he died.

C. M. Aldridge
