Before me, the undersigned authority, personally appeared C. S. Frost, who after being duly sworn, deposes and says as follows:

I am the grantee in a deed of conveyance executed by George Frost and Margaret L. Frost on the 27th day of February, 1901, and recorded in deed book 33 at page 71, Record of Deeds in the Office of Judge of Probate of Shelby County, Alabama; said deed being to the SW $\frac{1}{4}$  of SE $\frac{1}{4}$  of Section 1, Township 22, Range 3 West in said County.

The said George Frost has been deceased more than three years prior to this date.

At the time said land was conveyed to me, I was living on the NW $\frac{1}{4}$  of the SE $\frac{1}{4}$  of said Section 1 as my homestead, and I immediately went into actual possession of said land described above, and either cultivated a portion of it each year since said time or had a portion of it cultivated by tenants of mine. During the entire time since said property was conveyed to me I have maintained a fence around practically the entire forty, and during said time no one has ever claimed any right, title or interest in said property adverse to my ownership or my possession.

I also assessed and paid the taxes on said property at Columbiana each year in my name since said property was conveyed to me as set out above. I have been in possession of all of the land above described for more than thirty consecutive years.

C. S. Frost.
