State of Alabama Jefferson 'ounty)

Personally appeared before me, the under signed authority in and for said County, in said State, Lloyd Howard, who being duly sworn, deposes and says that he is thirty-three years old and was born and raised within three and one-half miles of the land now owned and cahimed by B.E.Wideman in Phelby County, Alabama, which land lies in Pection 30, Cownship 18, South, Range 1 West, and is surrounded by lands owned by Mr. Theodore Swann except on the south by lands either owned or claimed by the Vida Cumber Company; that he has known the lands since his earliest recollection and he knew the land at the time when W. L. Spain lived on it; that W.L. Spain sold the land for several years and claimed to own it; that Mr W.L. Spain sold the land to J. H. Wideman and J. H. Wideman moved on it and lived there several years claiming to own it; that J. H. Wideman sold the land to B. E. Wideman about the year 1922 and that B. E. Wideman went into possession after he purchased said land from J. H. Wideman and has lived on it and cultivated part of it since that time to the present date, claiming to own the same through his purchase from J. H. Wideman. The part that has been cultivated and on which the said B.E.Wideman and J.H.Wideman lived is the southern portion of the tract of land.

Affiant further deposes and says that during the past year he has cut some cross ties off of the land belonging to B. E. Wideman, the part of the land from which he cut the cross ties being the northern part; that he has never heard any one question the title of either J. H. Wideman or B. E. Wideman while either one of them has lived on such land.
