

Affidavit

State of Alabama,
Shelby County)

Before me, Grace Carter, a Notary Public in and for said County, in said State, personally appeared Kathleen DeShazo Norton, who is known to me and who, being by me first duly sworn, deposes and says:

I am acquainted with the following described real estate situated in Shelby County, Alabama, viz:

All that part of the east half of the south west quarter and of the south west quarter of the south west quarter of Fractional Section 3, Township 24, Range 12 East lying South and east of a diagonal line beginning at the center of said fractional section and running south $42\frac{1}{2}$ degrees west 43 chains to the south boundary line of said fractional section 3. Also the north west quarter of the north east quarter of Section 10, Township 24, Range 12 East.

I am a daughter of George W. DeShazo, who was once the owner of this land. I was living in the community where this land is situated in the year 1909 and until 1925. I was acquainted with H.L. Wooley, who obtained a deed from John T. Ellis to the north west quarter of the north east quarter of Section 10, Township 24, Range 12 East, in 1909 which deed is recorded in the Probate Office of Shelby County, Alabama, in deed book 59 at page 408, Said H.L. Wooley also obtained a deed from M. A. Robson in 1908 to the other land above described and being in Section 3, Township 24 Range 12 East. Said land together with the forty acre tract in Section 10 is described above.

Said Wooley went into possession of both tracts of land immediately after obtaining his respective deeds thereto and lived upon said land and cultivated it or had it cultivated until he deeded it to my father, George W. DeShazo, by deed dated October 8th, 1917, and recorded in the Probate Office of Shelby County, Alabama, in deed book 62 at page 124.

Immediately after my father received the aforementioned deed from H.L. Wooley he went into possession of all of said land and remained in the actual, open, notorious, continuous, exclusive, adverse possession of same living upon it and cultivating portions of it until he deeded it to Mrs. Dixie Lee Lavender in 1926.
