State of Alabama Shelby County)

Personally came and appeared before me, Henry Naish, a Notary Fublic in and for said County in said State K. B. Nickerson who being first by me duly sworn according to law to speak the truth deposes and says that he is well acquainted with the property known as lots 10, II and 12 in Block 1 of the Map of Puck Creek Mill, Inc., in Alabaster, Shelby County, Alabama, which said lots are a part of the NET of NET of Section 2, Tp 21 Range 3 West.

Affiant is also acquainted with the property intended to be conveyed by James A. Cunningham and wife Susie M. Cunningham, and Benjamon F. Cunningham, Jr., to Wilton D. Rockett, by deed dated November 8th, 1908 and recorded in the office of the Judge of Probate in and for Shelby County, Alabama, in deed book 43 at gage 65, which said land was conveyed by the said Milton D. Rockett and wife, Kitty B. Rockett to D. G. & K. B. Nickerson, by deed dated November 15th 1912 and recorded in the said Probate Office in deed book 48, at page 446, that said property is no part of the property first above described but lies approximately 6 miles to the south thereof; that the Volumbiana-Tuscaloosa Road is an old road and well road in Shelby County and that said road does not run any where near the property first above described. From all appearances it is evident that the above described deed intended to describe land in To 22 instead of 21.

Affiant is well acquainted with R. W. Smith, who purchased the first above described property from the Buck Freek Cotton Mills Inc., and sold it to J.P. Patterson and knows that he is not the same person as Robert Smith, against whom George Huddleston obtained judgment in the Circuit Court of Jeff erson County on August 25th, 1931 for \$88.40 and Court Cost.
