

State of Alabama,
Shelby County) IN THE CIRCUIT COURT OF SHELBY COUNTY, ALABAMA, IN EQUITY.

In the matter of the petition of Nettie Brewster for the removal of the disabilities of non-age of Annie Brewster and Pat Brewster.

This cause coming on to be heard in Term Time was submitted for decree on the petition of Nettie Brewster and the ex-parte affidavit of Nettie Brewster. It appears that said Nettie Brewster is the mother of the two minors, who are each over eighteen years of age, and that their father is dead, and that they have no legal guardian, and that notice of the filing of said petition for the removal of the disabilities of non age and of the day set for the hearing thereof has been given to each of said minors by citation or notice duly served upon them by the Sheriff of Shelby County, Alabama, on the 9th day of January, 1937, as appears from the Sheriff's return on file in this cause, and the court being satisfied from the evidence produced before it that it will be to the best interest of said minors that their disabilities of non age be removed:

It is, thereupon, considered, ordered, adjudged and decreed by the court that Annie Brewster and Pat Brewster, both of whom are over eighteen years of age, be and they are hereby relieved of the disabilities of non age, and that they are vested with the power to sue and be sued, to contract and be contracted with, to receive and take possession of any real and personal property to which they may be entitled, to purchase real or personal property and to sell and convey the same, and to do all things and to all intents and purposes as effectually as if they were twenty one years of age.

It is further decreed that said Nettie Brewster, the petitioner in this cause pay the cost of this proceeding, for which execution may issue.

Done in term time this the 23rd day of January, 1937.
