Par. No. 20378 - Pole Line Permit

State of Alabama Shelby County

Know All Men By These Presents, That for and in consideration of value received from the Alabama Power Company, a corporation, we do hereby grant to said Alabama Power Company its successors and assigns, the right to construct, operate and maintain its lines of poles and towers and appliances necessary in connection therewith, as located by the final location survey made by said company for the transmission of electric power with the right to string thereon from time to time electric power and telephone wires, and the right to permit other corporations and persons to attach wires to said poles and towers upon, over and across the following described lands situated in Shelby County, Alabama, to-wit: A strip of land 30

feet wide being 15 feet on each side of the following described center lines: 1- Begin at a point 520 feet South of the Northeast Corner of NW of SEA, Sec. 28, T. 19, South R. 1 West, run North 55 degrees 42 minutes West 1012.8 feet to a point on the east and west center line of Sec. 28, 863.13 feet west of the Northeast corner of said NW of SE , Sec. 28. (The Simmons plot 100 feet wide is excepted herefrom)

2- Begin at a point 197.5 North of Southwest Corner of the NWA of the NWA of Sec. 25, T. 19, R. 1 West, said point being 62.05 feet South of center line of highway; run thence Northeasterly to pole 181-17 which is 63.5 feet South of center line of highway; thence to pole 181-18 which is 62.5 feet South of center line of highway; thence to pole 181-19 which is 63.5 feet South of center line of highway; thence to pole 181-20 which is 64 feet South of center line of highway; thence to pole 181-21 which is 113 feet South of center line of highway; thence to pole 181-22 which is 64 feet South of center line of highway. Such 30 foot easement running for a total of 2761 feet across the No of NWA of Sec. 25, and on the South side of the highway.

3- Begin at a point in NW of NW , Sec. 30, T. 19, R 1 East on the branch and 81 feet South of center line of highway, thence East to a point on the East line of said 40, 83 feet South of the center line of the highway.

Together with all the rights and privileges necessary or convenient for the full enjoyment and use of said easement including the right of ingress and egress to and from said lines; and also the right to cut and keep clear all trees and other obstructions that may injure or endanger said lines,

To have and to hold the same to the said Company, its successors and assigns forever, This instrument shall cease to have effect and the rights granted hereunder shall terminate if the said transmission line shall not be constructed within two years from the date hereof, and if same should be abandoned and no use made thereof for a perhod of six months at any time after such construction.

In witness whereof, we have hereunto set our hands and seals this the 7th day of

January, 1937.
