STATE OF ALA BAMA)
BIBB COUNTY.

Before me, the undersigned authority, personally appeared William Martin Mills, who being duly sworn deposes and says that he resides in Bibb County, Alabama; that for a period of more than fifty years, last past, he has been acquainted with the ownership, location and use of the following described lands:

The surface right to the Northeast Quarter of the Northeast Quarter of Section 3, Township 22, Range 4 West, lying and being situated in Shelby County, Alabama.

Affiant further says that he is of the age of eighty years and is a grandson of William Mills and his wife, Epramia Faust Mills, who were the grantors in that certain deed dated October 7th, 1887, conveying the above described property to affiant's Aunt, Evaline Miles and her children, Lula Miles, Latimer Miles and Stella Florence Miles. Affiant further says that it is his best information and belief formed by hearing the older people talk and general reports in the community that his grand father and grand mother, William Mills and Epramia Faust Mills, obtained said property from affiant's grand mother's people, who were named Faust; that affiant's grand parents owned and lived on said property for a number of years, in fact they were living on said property at the time of my earliest recollection.

Affiant further says that of his own personal knowledge he knows that on the date of the deed, May 3rd, 1903, Evaline Miles, Wilmer Miles, and wife Mary A. Miles, Latimer Miles and wife Eucy Miles to W. P. Smith and wife, Stella Florence Smith, that the grantor, Evaline Miles, was a widow. Affiant further says that Stella Florence Miles married W. P. Smith.

Affiant further says that during the time said property was owned and in the possession of his grand parents and later his Aunt, Mrs. Evaline Miles, and her children, that he did not hear the title of the said parties of those through whom they hold title to be questioned in any way; affiant further says that the holdings of the parties as aforesaid was open, notorious, continuous, peaceful and adverse possession and claiming ownership respectively against all the world and that said owners, as aforesaid exercised acts of ownership over said lands.
