STATE OF ALABAMA I SHELBY COUNTY

Personally came and appeared before me the undersigned authority, Mr.. George Beard, who heing first by me duly sworn according to law to speak the truth deposes and says as follows:

I have known the following described land, and those in possession of it, for many years, to wit:

All that part of the North West quarter of Section 6, Township 21, South Range 2 East / except the following described lot; commencing with the intersection of the West boundary of said Section with the South boundary of the right of way of the Southern Railway, run thence in a Southerly direction with the West boundary of said section to the South West corner of the North West quarter of said section; run thence easterly with the South boundary of the said North West quarter for 112 yards; run thence North to the South boundary of the Southern Railway right of way; run thence in a South Westerly direction with said boundary line to point of beginning; all in Shelby County, Alabama.

My father, W. A. Beard, purchased said land from J. R. Taylor in the fall of 1909 and went into immediate possession. He rented it from year to year to tenants who lived thereon and cultivated said land until the fall of 1919 when my father, the said W. A. Beard, sold said land to B. J. Owen and placed him in possession. The said B. J. Owen has continuously been in possession ever since and is now in possession of said land, He has each year rented it to tenants who have lived on said land and cultivated the same.

To affiant's own knowledge the said W. A. Beard and B. J. Owen since the year 1909 have been in actual, continuous, exclusive, peaceful, quiet, open, notorious, adverse and hostile possession of said land under color of title and claim of ownership and no one at any ti e has been in possession of any part of said land claiming adversely to said owners.
