State of Alabama,
Shelby County.

Before me, Grace Carter, a Notary Public in and for said County, in said State, personally appeared L. H. Ellis, who is personally known to me and who, being by me first duly sworn deposes and says: I was acquainted with E. S. Lyman, Sr., who died intestate on the 28th day of Mey, 1935; the estate of said E. S. Lyman, Sr., is being administered in the Probate Court of Shelby County, Alabama. As a matter of fact letters of administration were issued to his widow, F. May Lyman soon after his death but there has never been a final settlement. Said E. S. Lyman, Sr., was Judge of the Circuit Court of the Eighteenth Judicial Circuit of the State of Alabama at the time of his death; He left very little estate. His personal estate was turned over by the children to his widow and the real estate he owned has since been deeded by the children who constituted his sole heirs at law and next of kin, to his widow, who was their mother. All of these children are living and are adults. Judge Lyman's estate was not subject to any inheritance tax or estate tax for as, stated, he owned very little personal property at the time of his death and owned only one farm consisting of something like six hundred acres near Underwood or Dogwood in Shelby County, Alabama.
