

Affidavit

State of Alabama  
County of Shelby

Before me, L.H. Ellis, a Notary Public in and for said State and County personally appeared A.B. Bristow, who, being by me first duly sworn, deposes and says:

That he is Manager of Shelby Iron Company of Alabama, and is familiar with all of the lands owned by the said Company; that he has charge of all of the records pertaining to said lands; that from said records it appears that on August 1st, 1890, the Shelby Iron Company an Alabama Corporation, conveyed to the Alabama Coal & Iron Company, a New Jersey corporation, with other properties, certain lands located in Township 22, South, Talladega County, Alabama, said lands being erroneously described in said conveyance as being in Range 2 West; that the said lands are actually located in Range 2 East in said County, and have been continuously so assessed; that this affidavit is made for the purpose of correcting said error in the description as shown in said deed which is of record in Book 70 at page 182 in the office of the Judge of Probate in Talladega County, and in record Book 14, at page 33 in the office of the Probate Judge of Shelby County, Alabama.

That the Charter of the said Alabama Coal & Iron Company was amended and the name of the Corporation changed to the Shelby Iron Company, a New Jersey Corporation; that the latter Company was subsequently dissolved and its properties conveyed to the present Shelby Iron Company of Alabama.

A. B. Bristow

Sworn and subscribed to before me this the  
2nd day of May, 1941.
