

STATE OF ALABAMA )

SHMLBY COUNTY )

Before me the undersigned authority in and for said State and County, personally appeared George Brown who, being by me first duly sworn says that continuously for more than fifteen years he has been familiar with the following described lands:

All of the Southwest Quarter of the Southwest Quarter of Section 17, except one acre in the Northeast corner of that Quarter-Quarter section which is in the shape of a square, and also all of that part of the East Half of the Southeast Quarter of Section 18, which lies on the Southeast side of the right of way of the Southern Railway Company formerly the B.B.&B. Railroad Company, all situated in Township 22, Range 3 West, in Shelby County, Alabama.

Affiant further states that during that time the Montevallo Coal Mining Company has been in open, obvious, adverse, notorious and peaceable possession of said lands; that during a part of that period affiant rented said lands from the Montevallo Coal Mining Company and cultivated the same as the tenant of that Company; that continuously since that date the dwelling house on said lands has been occupied by employees of the Montevallo Coal Mining Company as tenants of that Company; that affiant owns lands nearby the above described lands and has never known of any person claiming any interest in said lands adverse to the claim of the Montevallo Coal Mining Company.
