AFFIDAVIT

STATE OF ALABAMA,       )  
SHELBY COUNTY.         )

Personally appeared and came before me Wm. D. McConaughy a Notary Public in and for said County, George W. Morgan, who after being by me first duly sworn according to law to speak the truth deposeth as follows:

My name is George W. Mortan. I am 68 years of age and have lived in Montevallo, Shelby County, Alabama, for 50 years. I am well acquanited with Lot No. 2 Block P of Lyman's addition to the town of Montevallo, Alabama, and also well acquainted with this property in 1911, and long before that time. I knew well during his life time John T. Ellis, who was grantee in deed from Hilyard Mason and wife Nancy Mason dated May 27th, 1911, and recorded in the office of the Judge of Probate in and for Shelby County, Alabama, in Deed Book

45 at page 212, and known him to be one and the same person as John Ellis, whose name appears as grantor in a certain deed dated July 24, 1911, conveying said lot to L. N. Nabors, which said deed is recorded in said Probate Office in Deed Book 45 at page 325, and one and the same person as the John T. Ellis who signed last named deed, and known that his wife's name was Alma Ellis. I was well acquainted with all the people in and about Montevallo at that time and I know of no other person by the name of John Ellis or John T. Ellis in that vicinity, and no other person by the name of John Ellis or John T. Ellis has ever claimed any right, title or interest in or to said lot.

The above described lot is a vacant lot and no person has ever been in possession of any part of it claiming adverse to Mrs. Virginia Barnes, who purchased said lot from Mrs. F. May Lyman on March 3rd, 1941, nor was any one in possession of said lot on that day claiming adversely to the said F. May Lyman, nor has any one been in possession of any part of said lot claiming adverse to the said F. May Lyman since her purchase of said lot from L. N. Nabors in 1915.

George W. Morgan

Sworn to and subscribed before me this 18 day of April, 1942.
