Mr. L. C. Abbott,
Tax Collector, Shelby County,
Columbiana, Ala.

Dear Sir:

Yours letter of March 12th addressed to my father, A. L. Hayes (deceased), has come to my attention.

The property referred to in your letter was deeded by my father to me and my three sisters in November, 1931, since which time the taxes have been paid in Jefferson County, and they have been paid up to date. If you wish to check this statement, please take the matter up with the Tax Collector's office in Jefferson County.

Hoping the above explanation makes the matter clear, I am,

Yours very truly,

C. H.

(Miss) Carrie Hayes

Dear Miss Hayes,

A deputy tax assessor from Bessemer came over and went over the matter with the Shelby County Assessor and they had an agreement that the property you own should be assessed in Jefferson County. I have accordingly taken credit for the assessment, thus relieving you of being due any taxes to this county.

Yours truly

L. C. Abbott
Tax Collector

4/12/37
