State of Alabama

Jefferson County.

principal stockholder.

Personally appeared before me, L.C. Albright, a Notary Public, in and for said State and County, Charles F. Wheelock, who is known to me and who being by me first duly sworn says:

My name is Charles F. Wheelock, and I am seventy years old, and have lived in Jefferson County, Alabama continuously for fifty years, and have been engaged in the business of general engineering all of this time. In the year 1921, I.N. Skelton, who is one and the same person as Isaac N. Skelton and myself, purchased from W.J. Nunnally, and received a deed there for the following property, viz:

The southwest fourth of southwest fourth of Section 33, Township 19, Range 3 West in Jefferson County, Alabama, and the northeast fourth of the northeast fourth of Section 5, Township 20, Range 3 West in Shelby County, Alabama, and we executed back to W.J. Nunnalbyca mortgage which was man purchase money mortgage in the sum of \$1600.00 on the same lands; and this mortgage is on record in the probate offices of Shelby and Jefferson County, Alabama; and on the 25th day of September, 1924, there was a friendly foreclosure of this mortgage, and the property described

I.N. Skelton and myself were in the peaceable, open and notorious possession of the property described in the mortgage above referred to, paying the taxes thereon from the period of time that we owned it

was bought in by the Flat Creek Mining Company Inc. of which company, I.N. Skelton was the President, and

and no one, so far as I know, claimed any right, title or interest in said lands, during this time.

I know of my own knowledge that Mr. Skelton and myself received a warranty deed to the property described herein, but through inadvertence or otherwise, the same seems not to have been recorded.

Chas. F. Wheelock

Sworn to and subscribed before me, on this the 19th day of April, 1945.
