STATE OF ALABAMA

JEFFERSON COUNTY

Before me, the undersigned authority in and for said County in said State, personally appeared David J. Morrow, who, upon being by me first duly sworn deposes on oath, as follows:

Affiant purchased all that part of the South half of the south half of the North half of the Northwest Quarter of Section 7, Township 19, Range 1, West, which lies West of the Cahaba Valley County Road, which said property lies in Shelby County, Alabama, from George Huddleston and wife Bertha, by deed dated October 3, 1938, and recorded in Deed Book 106, Page407, in the office of the Judge of Probate of Shelby County, Alabama. Affiant and wife, Christine Morrow sold the above described property to Joe R. Davis, by Deed dated August 26, 1941. which said deed is recorded in Deed Book 115, at page 493 in the office of the Judge of Probate of Shelby County, Alabama. During the time that affiant owned said real estate as above set out he assessed the same for taxes in his name regularly and regularly paid the taxes thereon during each year he was the owner thereof. During said time no one other than affiant assessed or paid taxes on said land. At the time of said purchase from George Huddleston, he delivered possession of said lands to affiant who remained and continued in open and notorious and adverse possession thereof under claim of affiant's ownership until he conveyed the same to Joe R. Davis on August 26, 1941; that during all of said time affiant's possession was exclusive and continous and was under a claim by affiant that he owned such lands in fee and adversely to all persons and claimants whatsoever and that during said time no one else has made any claim to said lands adversely to that of affiant and that said lands have been c ontinuously posted by affiant or affiant's predecessors in title and possession against trespassers and during said time he has shown said lands to numerous prospective purchasers and in the course of said offers to sell he and said purchasers have gone over said lands in inspect the same. Affiant has never heard of anyone making any claim whatsoever to said lands in opposition to affiant's title and claim of ownership. Affiant states that his dwnership of said lands was publicly and generally known in the locality in which the same is situate.
