

AFFIDAVIT

STATE OF ALABAMA

JEFFERSON COUNTY

Personally appeared before me, the undersigned authority in and for said County in said State Herbert L. Pool who, being by me first duly sworn says:

I am familiar with the southeast quarter of the northeast quarter and the northeast quarter of the northeast quarter of section 35, township 19, range 3 west, and have been familiar with it for over twenty years.

I operate a dairy just south of this property and have operated this dairy at that place for 20 years. Mr. George Chinery granted me permission to pasture my cattle on this property and for that purpose I took possession of it and put some fences on it and keep my cattle on it under his authority for a good many years. Later the Southern Bank & Trust Company got the southeast quarter of the northeast quarter and I had permission from them to use this property. A little later the American Bankers Corporation got possession of the Northeast quarter of the northeast quarter and I had permission from them to continue to pasture my cattle on it. I had the same permission from them to continue to pasture my cattle on it. I had the same permission under Mrs. Mae Glenn and still later under Mrs. Helen C. Boyd.

I have never known any contention over the title of this property and was never distrubed in my possession of it by any one.

Herbert L. Pool

Sworn to and subscribed before me, this 8 day of November, 1945.
