# 3594

THE STATE OF ALABAMA

JEFFERSON COUNTY

Before me, the undersigned authority in and for said County in said State, personally appeared Herbert J. Ward, who being duly sworn on oath says that this affidavit relates to the SE $\frac{1}{4}$  of the SE $\frac{1}{4}$  of Section 10, in Township 19, South, Range 2 West, minerals and mining rights excepted situated in Shelby County, Alabama.

Affiant further says that he checked the records in the office of the Tax Collector and Tax Assessor of Shelby County, Alabama, for the years 1917 and 1918 and that said property herein described was assessed to J.R. Allen and to W.J. Lowery. The assessment in the name of J.R. Allen on this property shows that the taxes were paid and that said property was sold under an assessment to W.J. Lowery. Affiant further says that the 1917 taxes on said forty acre tract were paid under said assessment by J.R. Allen but were not paid under the assessment of the same property by W.J. Lowery, but that the assessments of the two men covered the identical property.
