I am acquainted with the Son of the NW and the NW of NW of Section 29, Tp. 20, Range 2 East, Shelby County, Alabama. My grandfather, B. M. Robertson, who died pretty soon after the war between the states, formerly owned this land and other lands adjacent thereto, comprising over 900 acres. When he wied he left surviving him his widow, Mrs. S. A. Roberson, and one child, J. H. Kobertson, the father of affiant. After the death of B. M. Robertson, his widow and son, above named, remained in possesion of this property until their respective deaths, said Mrs. S. A. Robertson having died about fifteen or twenty years ago, and said J. H. Robertson having died a few years prior thereto. I was reared on this tract of land and part of the time I actually resided on the land particularly described above. My grandmother and father were in possession of the land to thedate of their respective deaths. Neither Mr. A. M. Word nor Mr. Ernest W. Snow or any one else except my father and grandmother and their respective heirs after their deaths and their grantees, or those claiming under them, have ever had possession of the land specifically described above, which is now in possession of Mr. E. D. Buckner. I have been shown abstract of deed from A. M. Word to Ernest W. Snow dated March 16, 1946, and recorded in the Probate Office of Shelby County, Alabama, in deed book 122 page 491. These gentlemen do not live in the eastern part of Shelby County where this land is located and have never lived there, and have never had any possession of any property now owned and possessed by Mr. Buckner.
