I am grantee in that certain deed executed by J. R. White, as Register, on June 29, 1920, and recorded in the Probate Office of Shelby County, Alabama, in deed book 109 at page 246.

I am acquainted with the land conveyed in said deed which is specifically describedtherein. Immediately upon the execution of said deed I went into possession of said property, living upon it a number of years, and had portions of it cultivated each and every year, and while I was away I rented it out and had tenants living on the place and cultivating portions of it each and every year down to becember 17, 1940 when I conveyed it by deed to Leydon A. Cale and others, which deed is recorded in the Probate Office of Shelby County, Alabama in deed book 110 at page 7. The grantees in said deed are my children, and after I deeded it to them I remained on the land and had portions of it cultivated each and every year until they deeded it to Tillman L. Edwards on March 17, 1947. My possession of said property, was actual, open, notorious, continuous, exclusive and adverse from the time I received the Register's deed aforementioned until I deeded it to my four children, and as stated, during all those years, I either lived on it or had tenants on the property and each and every year had portions of it cultivated.
