JEFFERSON COUNTY

559

Before me, Gladys Straud, a Notary Public in and for said State and County, personally appeared Sophie Estelle Rogers, who being duly sworn, on oath deposes and says that she is the grantee in deed from Rosalie Adele Rogers and husband, dated February 6, 1941, and recorded in Volume 110, Page 176 in the office of the Judge of Probate of Shelby County, Alabama, covering land in the Northwest Quarter of the Southeast Quarter and the Northeast Quarter of the Southwest Quarter of Section 23, Township 21, Range 3 West, in said county; that said Rosalie Adele Rogers was affiant's sister and that the true consideration for said deed was as follows:

Aid Rosalie Adele Rogers was sick and was brought to the Jefferson Hospital at Birmingham the next day after said deed was executed, that is on February 7, 1941. The hospital and funeral expense amounted to over eleven hundred dollars, which were paid by affiant. Said Rosalie Adele Rogers had two sons, James (now about thirty years old) and Joseph (now thirteen years of age). Affiant spent about five hundred dollars to give said James Rogers a course in a business college. It was the understanding between affiant and her said sister that the former would send said Joseph Rogers to school and take care of his support and education until he is able to support himself, which of course would involve considerable expense. This consideration of said deed was therefore to reimburse affiant for

expenses she had already incurred and for future expenses in connection with her sister and two sons, the main consideration being to provide funds to take care of said Joseph Rogers.

Affiant is employed in the Land Department of Republic Steel Corporation, Birmingham, Alabama.
