

STATE OF ALABAMA

SHELBY COUNTY

Before me, the undersigned authority in and for said county in said state, personally appeared L.C. Walker, who being by me first duly sworn deposes and says that he has been for the past fifty years or more personally acquainted with the ownership and possession of the following described property situated in Shelby County Alabama to-wit:

Commencing at the NE corner of the SW $\frac{1}{4}$  of section 23 Township 21 Range 3 West, thence south 550 feet, thence in a westerly direction 790 feet to the Montevallo and Ashville public road, thence in a northerly direction along the east margin of said Montevallo and Ashville public road 975 feet to the half mile line or south boundary of the NW $\frac{1}{4}$  of said Section 23, thence east along said boundary line to the point of beginning. Also the N $\frac{1}{2}$  of NW $\frac{1}{4}$  of SW $\frac{1}{4}$  of said Section 23 in Township 21 Range 3 West, and situated in Shelby County Alabama.

Affiant grew up on this land, as his father R.H. Walker owned the land when affiant was quite young, and affiant for many years lived on the land and farmed the same. That affiant's father, "H. Walker, sold said land to W.R. Walker, who was affiant's brother, and that his said brother sold the land to J.W. Wright and Pearle Wright about 20 years ago, who in turn sold the same to E.G. Givhan, who later conveyed it to Rosalie Adele Rogers, something like 10 or 12 years ago.

Affiant further says that he knew the said J.W. Wright and Pearle Wright, that Pearle Wright was the wife of said J.W. Wright, and that the name "Perrel" Wright named in the deed from W.R. Walker and wife to said J.W. and Pearle Wright as shown by deed recorded in deed book 73 on page 154 was intended for Pearle Wright, and that Pearle Wright and Perrel Wright was one and the same party.

During all the time affiant has known said land and the ownership and possession of the same, and that the said Rosalie Adele Rogers, and those through whom she claimed title to said land have been in the open, notorious, continuous, peaceable and adverse possession of said down to the time of the death of said Rosalie Adele Rogers, and affiant never heard of the title to said lands questioned in any way.

Affiant says that said land fronts on the Montevallo and Ashville public road, and evidently what was meant by the margin of the said road was intended to mean the right of way of said road.

L.C. Walker.

Sworn to and subscribed before me on this the 5th day of April, 1943.
