STATE OF ALABAMA,

SHELBY COUNTY.

Before the undersigned authority personally appeared Mary Logan Hicks, who is known to me and who being by me first duly sworn deposes and says:

I a m a daughter of Lillie Pratt Logan, deceased, who died in 1937, and left surviving her her husband, J. P. Logan, who has since died. The sole surviving heirs at law and next of kin of said Lillie Pratt Logan are her two daughters, affiant, and Jean Logan Hellums.

Said Lillie Pratt Logan, at the time of her death, owned the following described real estate situated in Shelby County, Alabama, Viz:

All that part of the N 1/2 of SE 1/4, and all that part of the S 1/2 of NE 1/4, all in Section 7, Township 24, Range 12 East, lying south and east of Shoal Creek; also all that part of the SW 1/4 of NW 1/4 of Section 8, Township 24, Range 12 East lying southeand east of Shoal Creek, containing 120 acres, more or less, and situated in Shelby County, Alabama.

There is a dwelling house situated on this property and has been for more than twenty-five years. There is a road leading to the dwelling house on this property which leads out from what is known as the Gunlock-Cedar Grist Mill Road, a public highway in Shelby County, Alabama. The road leading to the dwelling house on the property situated on the land herein described branches off from the highway known as Gunlock-Cedar Grist Mill road. When the road leading to the dwelling house on this property leaves the Gunlock-Cedar Grist Mill road, it runs a distance of about one hundred yards before entering the property above described and then goes on about another one hundred yards to the dwelling house. That road has been open and used by the public for more than twenty-five years, and the county has kept it up and it is a public highway, and as a matter of fact one portion of the Gunlock-Cedar Grist Mill Road is the eastern boundary line of the SW 1/4 of NW 1/4 of Section 8.
