

## DEED

# 387

NO. 5460

KNOW ALL MEN BY THESE PRESENTS: That Whereas, by virtue of the acts of Congress of the United States and of the General Assembly of Alabama, referred to in the Act of the General Assembly of Alabama, ~~referred to in the Act of the General~~ approved February 10, 1876, entitled, "An Act to execute the power of disposal of the lands, granted by an act of Congress, entitled, "An Act granting public lands in alternate sections to the State of Alabama, to aid in the construction of certain railroads in said State, approved June 3, 1856," which power of disposal is conferred upon the Legislature of Alabama by said act of Congress," and by virtue of what was done prior to February 10, 1876, by or under, or in pursuance of the legislation of Congress and the legislation of the State of Alabama, the said State had become completely vested with the titles to the lands embraced by said acts of Congress for the uses and purposes shown in said acts of Congress; and whereas, the said State prior to February 10, 1876, and more than six months prior to the duly decreed bankruptcy of the Alabama and Chattanooga Railroad Company, had acquired a valid lien in good faith, upon all of said lands to which the Alabama and Chattanooga Railroad Company ever had any right or title, either legal or equitable, by a conveyance executed by that Company to the State of Alabama, to secure an indebtedness of that Company to said State greater than the value of the interest of that Company in or to said lands, no part of which indebtedness has ever been paid to said State; And whereas, by a deed executed and bearing date the 8th day of February, 1877, the said lands were conveyed by the Governor of said State of Alabama, in pursuance of an act of the General Assembly of Alabama, approved February 23rd, 1876, entitled, "An Act to ratify and confirm the settlement of the existing indebtedness of this State as proposed in the report of the Commissioners appointed under the act approved 17th of December, 1874, and which was communicated to the General Assembly by message of the Governor of 24th of January, 1876, and to carry said settlement into effect by the issuance of new bonds of this State, at a reduced rate of interest, in adjustment of a portion of said indebtedness, and the surrender of certain securities held by the State in discharge of another portion of said indebtedness," to John A. Billups and John Swann, as trustee for the purposes in the said deed specified; And whereas the said John A. Billups and John Swann became vested with the power and authority to dispose of, sell and convey said lands in accordance with the provisions of said deed, and of said last mentioned act of February 23rd, 1876.

And whereas, the said John A. Billups and John Swann, trustees, as disclosed in said deed and said act of February 23rd, 1876, have been directed since May, 1886, by the holders of such of the bonds described in the fifteenth section of said last mentioned act as had been surrendered to the Governor on or before the first day of May, 1886, in accordance with the provisions of said last mentioned act, to convey and accordingly have conveyed to The Alabama State Land Company, all of said lands remaining unsold by said trustees, including in said conveyance the parcel or parcels of land hereinafter specifically described.

And whereas, The Alabama State Land Company, above mentioned, has this day sold to J.F. Alexander of Shelby County, Alabama the parcel or parcels of said lands, hereinafter particularly described, at and for the price of Four Hundred (\$400.00) Dollars upon the terms herein shown, that is to say, the said J.F. Alexander has this day paid to THE ALABAMA STATE LAND COMPANY the sum of One Hundred Dollars in cash and executed Three notes for the sum of One Hundred (\$100) Dollars each, due respectively September 18th, 1912, September 18th, 1913, and September 18th, 1914 each bearing interest from September 18th, 1911, the said notes being for the balance unpaid on said sale of said lands hereinafter described, and said balance to be and remain a lien on the same until said balance shall be paid, with lawful interest thereon.

Now, therefore, in consideration of the premises, The Alabama State Land Company doth by these presents grant, bargain, sell and convey unto the said J.F. Alexander the parcel or parcels of land specifically described, as follows, subject, however, to the reservations herein set forth, to-wit:

The West half of the North East quarter of Section Three, Township Eighteen South, Range One East.

W $\frac{1}{2}$  of NE $\frac{1}{4}$  Sec. 3, Tp 18 S. R. 1 E.

containing eighty 80 acres, more or less, situated in County of Shelby in State of Alabama.

And it is distinctly agreed as part and parcel of the terms of this sale of the lands above described, that The Alabama State Land Company does not convey to the said J.F. Alexander, but reserves to itself; either for its own benefit or for sale to others, all the iron ore, coal, oil, petroleum, gas, limestone, and other minerals contained in or upon said lands, and also the right of way and the right to rebuild such rail or tramways of any description and to construct such pipe lines over the same as maybe necessary for the convenient transportation if the coal, oil and other minerals from said lands and from any other lands that the said The Alabama State Land Company, its successors or assigns, or any person holding under it, or its successors or assigns, may own as mining property in connection with the lands above described, and also the right of way and the right to build such rail and tramways over said lands as may be convenient in transporting all material and implements that may be of use in mining upon said lands and the other lands hereinreferred to; and also all the timber and water upon the lands herein conveyed necessary for the development, working and mining the coal, iron and other minerals therein; and also the right to build for the occupancy of employees all such houses on the lands herein conveyed as may be necessary or convenient in mining said lands, together with all other necessary mining privileges. And it is further understood and agreed that the grantee or grantees in this conveyance will not hold adversely, or permit any other person to hold adversely, to the grantor in this conveyance, or its assigns or successors, any iron, coal, or other minerals or right of way, or other thing reserved to the grantor in this conveyance, but will hold everything herein reserved to the grantor, for the grantor, its assigns or successors, and for no other person or purpose whatever.

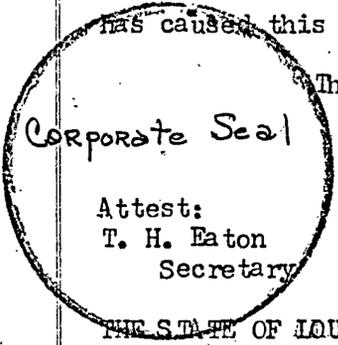

To have and to hold the said parcel or parcels of land above described unto the said J.F. Alexander his heirs and assigns forever, but subject to the said reservations herein disclosed.

In testimony whereof, the said The Alabama State Land Company, a corporation organized under the laws of Alabama, the grantor in this conveyance, has caused these presents to be signed by its President and its common seal to be hereunto affixed by its Secretary duly authorized for this purpose; and has caused this conveyance to be delivered to the grantee.

This 18th day of September, 1911.
