THIS INDENTURE, made this 18 day of November, 1949, between Alabama Power Company, a corporation, organized and existing under the laws of the State of Alabama, hereinafter referred to as the Company, and Shelby County, a municipal corporation existing under the laws of said State, hereinafter referred to as the County,

WITNESSETH:

WHEREAS, the Company now owns, maintains and operates an electric power line or lines located on private right of way owned by it near and approximately paralleling the Sterrett-Westover Road, State Highway Project SAC# 433-A and C in Shelby County, Alabama, the location of said private right of way being hereinafter more particularly described; and

WHEREAS, in order that said highway may be widened and improved, the County desires to acquire from the Company certain portions of its private right of way above referred to.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to it paid by the County, the receipt whereof is hereby acknowledged, and in further consideration of the covenants of the County hereinafter set out, the Company do hereby remise, release, quit claim and convey to the said Shelby County all of its right, title, interest and claim in or to the following described rights of way, to wit:

That part of its Shelby County Rural Line # 30 electric line extension right of way and that part of its Sterrett-Galcis Extension electric line extension right of way and that part of its Sterrett-Haley Extension electric line extension right of way which lies within the boundary of Alabama, State Highway project SAC# 433-A and C, which parts are located in Sections 21, 22 and 15,, Township 19 South, Range 1 East and Sections 30 and 19, Township 18 South, Range 2 East and Section 36, Township 18 South, Range 1 East.

The Company retains and reserves to itself, its successors and assigns, forever, and excepts from the operation of this indenture, all parts of the above described rights of way not actually lying within the boundaries of the highway right of way as widened and improved, together with the poles, lines, guys and all appurtenances on any portion of the right of way hereby conveyed or herein excepted and retained to the Company, together with the right to remove the same; but the Company shall not be required to vacate any portion of the right of way hereby quit claimed until it has been vested with all of the rights hereinafter provided for.

TO HAVE AND TO HOLD, the same to the said Shelby County, its successors and assigns, forever.

In consideration of such remise, release quit claim and conveyance by the Company, the County hereby covenants and agrees with the Company, its successors and assigns, as follows:

(1) The County will reimburse, or cause to be reimbursed, the Company for all cost and expense, including materials, labor, taxes, autoexpenses, depreciation, engineering costs and overhead charges, less credits for all usable materials removed, incurred by it in relocating such of its electric power line or lines, or portions thereof, as may be removed from the rights of way herein conveyed and whether the same be relocated on new private right of way or within the boundaries of the improved highway right of way, The county will also procure, or cause to be procured, for the Company and without cost to the Company, all rights to place all necessary guy wires and anchors upon the lands adjoining said electric power line or lines, or portions thereof, as relocated within the improved highway right of way, and to cut and trim and to keep cut and trimmed, and remove all trees on the lands adjacent to the improved highway right of way and which might then or thereafter endanger such electric power line or lines, or portions thereof, as are placed within the highway right of way under the Master Agreement hereinafter referred to, such guy wire and anchor permits and tree trimming rights are to be obtained on forms furnished by the Company.

(2) In the event any portion of said electric lines are to be relocated on private right of way, then the County will provide, or will cause to be provided, for the Company and without cost to the Company, new private rights of way to be owned by the Company and, unless impracticable and objectionable to the

Company, parallel and adjacent to the boundary of the improved highway right of way, together with all rights to cut and trim, and to keep cut and trimmed and remove all trees on lands adjoining the right of way so procured, as might then or thereafter endanger such electric power line or lines, or portions thereof as are placed upon the right of way so procured, and will provide or cause to be provided, for the Company the right to place necessary guy wires and anchors on the lands so adjoining such right of way. Such new right of way must be equivalent to that herein conveyed and shall be, together with the tree trimming rights and guy wire and anchor permits herein provided for, obtained on forms furnished by the Company and shall be acceptable to the Company. In the event the County is unable to provide, or cause to be provided, for the Company such new private rights of way, then the Company may proceed to acquire such new private rights of way, together with all necessary guy wire and anchor rights and tree trimming rights as above described, either by purchase or condemnation and the County shall cause to be reimbursed or will reimburse the Co. for the entire cost of and expense to which it is put in acquiring such new private right of way.

(3) The County will reimburse, or cause to be reimbursed, the Company for all cost and expense, including materials, labor, taxes, auto expenses, depreciation, engineering costs, overhead charges, acquisition of right of way, guy wire and anchor permits and tree trimming rights, to which the Company may be put in the future by reason of having to again relocate, alter or change, either within or without the highway, such of its electric power lines or portions thereof, as may have been removed from the right of way herein conveyed and placed within the boundaries of the improved highway right of way. In the event such future relocation, a teration or change is to be made without the then boundaries of the improved highway right of way, then the County will provide, or cause to be provided, for the Company and without cost to the Company new private rights of way, together with all necessary guy wire and anchor rights and tree trimming rights, to be owned by the Company; and in the event the County is unable to provide, or cause to be provided, for the Company such new private rights of way, then the Company may proceed to acquire such new private rights of way either by purchase or condemnation and the County shall cause to be reimbursed or will reimburse the Company for the entire cost of and expense to which it is put in acquiring such new private rights of way.

(4) The County will observe and be bound by all of the terms and conditions of that certain Master Agreement between the Company and the State of Alabama, dated the 26th day of July, 1939. and this indenture is entered into by the parties hereto pursuant to and subject to all of the provisions of said Master Agreement.

(5) The covenants of the County herein contained are intended to be and shall be construed as covenants running with the grant or conveyance made by the Company herein and shall be binding upon said County and also upon its successors and assigns.

IN WITNESS WHEREOF, said Alabama Power Company has caused this instrument to be executed and signed by E. W. Robinson its Vice President, and to be attested by its Secretary, or an Assistant Secretary, and its Corporate seal to be hereto attached, and Shelby County has caused this instrument to be executed on its behalf by the President of the Board of Revenue T. R. Nash thereunto duly authorized and the corporate seal of the County to be hereto affixed, in duplicate, all on the day and year first above written.
